New RBS Customer!

RATEX Business Solutions, Inc. would like to welcome our newest client to the growing VisualRATEX user base, The University Bookstore at Texas State University – San Marcos. Texas State University was founded in 1903 and supports a student population of more than 29,000 today. Their students can choose from 109 bachelor’s, 88 master’s and eight doctoral degree programs.

The University Bookstore is part of the self-supporting Auxiliary Services department at Texas State University. The bookstore receives neither state funds, university funding or student fee funding. They reinvest any proceeds and/or net profit back into the programs, departments, facilities and services that enhance the quality of life and work for the university community.
